**Despite Delay, Steele School Expected to Open on Schedule**

By JANET ROBINSON and Barbara Weaver FR 5-7463

Many persons in this area have expressed concern over the lengthy delay in construction of Newton School. Sherman E. Waldrip, assistant superintendent of schools, when contacted this week, stated that construction had again started on Aug. 1 and the school is expected to open on schedule.

Richard Bowman, of 4409 Highgrove Ave., took his two older sons, Dickie and David, camping last week. Their camping sites included the Malibu Mountains, the seashore at Santa Barbara, and points north as far as San Francisco.

Little Bridget Casey celebrated her fourth birthday with a party in the home of her aunt, Mrs. Richard Bowman. Those celebrating with her

were Terry and Debbie Struble; Kerry and Kristi Greenleaf; Billy Hendrickson; Donnie Griffin; her maternal grandmother, Mrs. Montayne; two young aunts, Janie and Joanie Montayne; and paternal grandparents, Mr. and Mrs. Michael Patrick Casey, and two cousins, Michael and Stevie Bowman. Her father, Lt. Francis Casey, was there from Nellis Air Force Base for the special occasion. Neighbors, Mrs. Paul Struble, Mrs. Griffin and Mrs. Al Greenleaf also attended.

The traditional cake and ice cream were served during the afternoon. Movies were taken so Bridget can relive the fun and festivities.

Mr. and Mrs. Samuel Wolfe, of 4519 Newton St., have been playing host to relatives from British Columbia. A sister, Mrs. Virginia Adlard, stayed a week, then Fri-

day, Sam's brother, William Wolfe, sailed into Harbor aboard merchant marine vessel, Steele Traveler. He serves as chief engineer on the ship. William visited the Wolfe home over the week end and Monday invited the Wolfes and Flo and Dave Schenk on board ship for cocktails just before sailing time. His next stop is San Francisco and then he will go on to the Philippines.

Two year old Mike Wolfe is beginning his recovery from osteomyelitis. The little fellow has been in bed most of the time since his illness was discovered six months ago. After spending a month in a cast he underwent surgery at the hospital a few weeks ago. Now he has progressed far enough to have a walking cast on his ankle.

Mr. and Mrs. William Callahan and daughter, Linda, of 4402 Pacific Coast Hwy., have had 11-year-old Elizabeth Miller as a house guest for a week. Elizabeth was born and raised in the Torrance area, but a year ago moved to Anaheim with her family. Her mother, Mrs. Catherine Miller was a former Torrance newspaper woman and she now works for the Anaheim paper.

Janie Lee and Children, Vickie, 6, and Greg, 4, spent the last 10 days at Mr. and Mrs. Steele's beach cottage, north of Ventura. The women and children (there are two Wesley children, too) spent the week sunning and swimming, while husbands, Ray and Vic, joined them on week ends.

Sam and Lucy Pesusich, of 4601 Green Meadows Ave., and children, Zandra and Scotty, have just returned from a 3,000 mile tour of the western states and Canada. They saw Crater Lake and Klamath Falls before stopping for six days in Portland, Sam's hometown, where they visited his uncle and old school friends. The children had fun playing in snow in the mountains.

After a stopover in Seattle, they drove on to British Columbia. On the way home they visited Lucy's mother in Maricopa. While there, Sam took advantage of the deer season opening and went hunting.

If anyone has lost a turtle, please call your reporter at the above phone number, for particulars regarding its whereabouts.

**El Camino Student Body President Dick Duffey Plans Versatile Year**

Activities at El Camino College promise versatility for the coming year if the background of Associated Student Body President Richard G. Duffey provides any indication for the future.

Duffey, who resides with his mother, Mrs. Norma D. Duffey, at 1318 Washington Ave., Hawthorne, is an energetic public relations aspirant with backgrounds in student government, recreational leadership, military personnel supervision, youth activities, and newspaper work. The unusual ability of the 23-year-old student official was most recently given recognition when Duffey was invited to serve as main speaker at the Southern California Youth Association's eleventh annual summer conference at the University of Redlands July 29-31.

Speaking on the subject, "Your Future Through SCYA," Duffey addressed a representative group of 400 delegates on the university campus. He served as an officer of the group prior to entering military service in 1950.

Prior to his graduation from Inglewood High School in 1949, Duffey served as Pep Club president for a three-year period; he was active in formulating organizational policies and procedures which are still maintained at the school.

The student leader served as president of the Inglewood 13-20 Club in 1949-50, at which time he also wrote a column entitled, "Teen Talk" for the local daily newspaper.

Served in Air Force  
Enlisting in the Air Force in 1950, Duffey saw service in Texas prior to overseas duty in Korea. During his years in the service, he was a personnel supervisor. When discharged on Sept. 8 last year, he held the rank of staff sergeant. Assisting him in his campus projects for the fall semester will be Miss Sandra Sherwood, Inglewood, ASB vice president; Miss Jackie Pritchett, Gardena, commissioner of activities; Edward Nettleton, Hermosa Beach, commissioner of assemblies; Paul Whisenand, Los Angeles, commissioner of athletics; Ben Simms, Inglewood,

commissioner of finance; William Wilson, Hawthorne, commissioner of publications; Tom Cummins, Gardena, commissioner of public relations; Miss Patti Rupert, Manhattan Beach, president of the Associated Women Students; and Walter Cooley, Hawthorne, president of the Associated Men Students. Presidents of the freshman and sophomore classes to be elected this fall will also be members of the council, as will a council secretary, yet to be named by Duffey.

It is a wise father who takes time out now and then to be chummy with his boy and to participate in his sports. The lad in the picture beams his pleasure as his dad prepares to "pitch him a few."

The bond of companionship between a good father and his son is one of the most helpful influences that can come into the life of a boy. Boys who enjoy such companionship seldom go astray.

What a striking contrast we observe in the other picture! Guilt and fear are written on the face of the boy with the stolen fruit. He has started on the long and painful road that leads to disaster.

Juvenile delinquency is one of the great social problems of our time. Unwholesome influences are abroad in the world to lead children astray. Without parental guidance, many of them drift into evil ways.

Parents need the help of God and the counsel of the Church in meeting this responsibility.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
